

McKesson Horizon Lab

Custom Report Writing Services

Utilizing Crystal Reports within Horizon Lab, S&P will assist you in writing custom reports.

Custom Report Services Include:

- Management reports
- Customize filters and layouts
- Specimen processing
- Volume reporting
- Order entry and results
- Infection control reporting

S&P's in-depth knowledge of McKesson Horizon Lab software and technical ability with Oracle databases allow us to work with McKesson clients to get the information clients need in a timely manner.
